ORDER:

The petitioner is a college of education in the Guntur District. It intended to start the post-graduate course in Education (M.Ed) and with that object, it submitted an application in the year 2002 duly making a deposit of Rs.25,000/- towards inspection fee. On receipt of the same, the first respondent issued orders in G.O.Rt.No.714, dated 17-08-2004, directing constitution of a committee to inspect the petitioner-college and submit feasibility report. Acharya Nagarjuna University nominated the University representative and the committee so constituted has conducted the inspection and submitted its report. The 2nd respondent forwarded the same to the 1st respondent through letter dated 02-12-2004. The grievance of the petitioner is that though nearly one year had lapsed, no action has been taken by the first respondent.

Heard the learned counsel for the petitioner and the learned Government Pleader for School Education.

A perusal of the letter dated 02-12-2004, discloses that the first respondent issued orders in G.O.Rt.No.714, dated 17-08-2004, constituting an inspection committee and that the committee so constituted had since inspected the petitioner institution and submitted its report. Once such report has been invited by the first respondent and had since been submitted, the first respondent is under an obligation to take further steps. With passing of each academic year, the infrastructure that may have been provided by the petitioner goes waste and the parameters for granting such no objection certificate, may undergo change.

For the foregoing reasons, the writ petition is disposed of directing the first respondent to take necessary steps, on the basis of the feasibility report submitted to it by the second respondent within a period of six weeks from the date of receipt of a copy of this order. No order as to costs.
